SWACHH BHARAT ABHIYAN 23rd AUGUST 2017

The cleaning drive started at 8 am from the college campus. Volunteers from NCC, NSS, YRC, Rovers and Rangers of the college came forward to take part in the programme. As many as 100 student participants took the task and went about their work diligently, even as there was shortage of proper tools and implements for the specific purpose. The area covered on this day was the entire boundary stretch of college from PGT up to St Mary's College for Teacher's Education. The programme ended at 12 pm and light refreshment was served to all the volunteers. However, it was unfortunate that due to communication glitch, there was no truck provided by the District Administration for the picking up and disposal of the rubbish collected from the cleaning drive. The college had to arrange on its own the disposal of the rubbish.
