Department of Computer Science & Applications

Shillong College

Action Taken Report based on the Students' Satisfaction Survey

S.No.	FEEDBACK	ACTION TAKEN
1.	Many students are not 'not very satisfied' with the initiatives taken in by the college to promote internship and field trips.	It was decided that the Department shall conduct study tours for all semesters hence forth and not just to the 6th semester students.
2.	In the teaching learning experience students have given positive response with regards to experiential learning, participative learning and problem solving methodologies for enhancing learning experiences. Yet their experiences in usage of ICT tools, extent of interaction during the classes need to be made better.	It has been decided that in order to make classes more interactive, teachers would further enhance their teaching learning pedagogy techniques. Teachers of the Department are encouraged to use complimentary virtual learning environments such as MOODLE.
3.	In the mid semester feedback apprehensions in the teaching learning process during the academic year 2020-21 was expressed as online teaching mode continued due to pandemic	Virtual learning environment became more stable and primarily Google Meet was used to conduct online classes as per the timetable It was complemented with communication via Whatsapp, Email, Google Classroom to resolve any doubts and enhance the degree of conceptual clarity.
