format (doc or docx))

Two-Days NATIONAL SEMINAR

NEP 2020: Transforming Education for a Viksit Bharat

Organized by
**Internal Quality Assurance Cell
(IQAC), Shillong College**

Date: 29th & 30th October, 2026
Venue: Shillong College, Shillong

About Shillong

Nestled in the heart of the enchanting state of Meghalaya in Northeastern India, Shillong stands as a vibrant jewel surrounded by lush hills, cascading waterfalls, and a rich cultural tapestry. This charming hill station, often referred to as the "Scotland of the East," captivates visitors with its pleasant climate, breathtaking landscapes, and a culinary scene that mirrors the diversity of the region.

About Shillong College

Shillong College, A NAAC A+ accredited college, was inaugurated on 15th of August 1956 and began with few students at Jail Road Boys High School. Shri Sudhindra Chandra Datta, a Lecturer in the Department of Mathematics in St. Anthony's College, was the founder Principal. Before the establishment of North Eastern Hill University in 1972, Shillong College was affiliated to Gauhati University. The birth, growth and development of the Shillong College is a cumulative result of the immense sacrifice, dedication, hard work and perseverance of a good number of well-meaning selfless individuals as well as some prominent organizations of Shillong and also the region as a whole.

About IQAC, Shillong College

The Internal Quality Assurance Cell (IQAC) was formed on 16th June 2004 as per the NAAC guide lines as a post accreditation quality sustenance measure. Since inception, the Cell is constantly involved in enhancing and maintaining the standard and quality curricular and co-curricular activities of the College. The primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

About the Seminar

The National Education Policy (NEP) 2020 can be a game-changer for India's journey towards becoming a developed nation, or Viksit Bharat, by 2047. Some of the key focus areas of NEP 2020 are multidisciplinary education, digital learning, skill development, inclusive education for ensuring equitable access to quality education for all, including marginalized communities. NEP 2020 also emphasizes the importance of Indian culture and values, aiming to make India a "Vishwaguru" – a global leader in knowledge and wisdom. The Policy has already shown promising results, with initiatives like the India AI Mission and Centres of Excellence for AI strengthening India's AI ecosystem. The government is also working on creating "champion" public sector companies to drive economic growth and technological advancements. Therefore, this Seminar aims to highlight and create awareness about significance of NEP 2020 implementation and the impact it can bring to our educational system right from the grassroot level by bringing experts from all over the country in one platform to deliberate and discuss on the future of this Policy. It also aims at encouraging dialogue among stakeholders to drive positive change through NEP 2020 and how it can be fully implemented for our country's growth and progress to achieve its goal towards a sustainable and developed nation by 2047.

Objectives on the Seminar:

- To discuss the key provisions and goals of the Policy and explore India's development goals and aspirations by 2047 through Education.
- To examine how NEP 2020 can support India's growth and progress.
- To discuss implementation hurdles and potential solutions and to showcase successful initiatives and innovations of NEP 2020.
- To encourage dialogue among stakeholders to drive positive change.

Call for Papers

Research papers on various themes and subthemes are invited from researchers/academicians/students/others. The research paper should be an original work and not have been previously published. Faculties from any disciplines can submit their papers.

Publication Details
