III. Introduction of Pass Book:

As adopted in the 18th AGM, the society issued a passbook to all the members in order to make each member aware of his/her Thrift contribution and Share holding.

FUTURE PLANS:

1. To increase the maximum loan amount to the members depending on their service.
2. To increase the monthly savings of members by increasing the thrift money.
3. To open a consumer store for the students, staff and faculty of Shillong College.
4. To commit to social responsibility by contributing towards the Social Maintenance Scheme started by the College through profit generated from consumers store and students service centre.
5. To provide a merit scholarship to student of the college who excel in different subjects and stream so that they can continue their further studies.
