

Activities of Anti-Ragging Cell:

- a. On 23rd May 2017, the distribution and receipt of the affidavits are carried out by departments for the degree students and stream-wise for the higher secondary section. These affidavits collected from the students are then submitted to the Anti-Ragging Cell for maintenance.
- b. An Anti-Ragging Helpline is established and printed in the posters and on the website.
- c. Some members of the cell are to visit the hostels during the first few months after new students admission to be vigilant and prevent any such activities.
- d. To generate awareness of the Cell and the effects of ragging, the cell conducted a display of posters and distribution of leaflets to new students in the college campus and hostel to be done on a yearly basis.
- e. As per mandate of the UGC guidelines the anti-ragging affidavit/ declaration is printed in the college prospectus from 2018.
- f. To create awareness about Ragging, a member of the Cell annually inform the newcomers about the cell and its Helpline during the ***Orientation Programme***.
- g. **Future activity of the cell:** To reconstitute the Anti-ragging committee.

Number of Ragging cases reported since 2016	NIL
