From the Principal's Desk:.....

Shillong College owes its origin to well-meaning public initiatives from across various sections of people in the capital city of Shillong in order to make college education accessible and affordable to the common people, particularly the less advantaged sections of society. It was formally inaugurated on 15th August 1956 at Jail Road Boy's High School with a student strength of only 15. Guided and nurtured by a group of well-wishers and a few dedicated teachers under the dynamic leadership of our founder principal (Late) Shri S. C. Datta, the college gradually progressed over the years overcoming numerous obstacles and challenges until it was finally shifted to the present campus at Laitumkhrah, Shillong in the year 1962.

From its humble beginnings the college has forged ahead to become one of the premier co-educational institutions in the State. With the presence of a dynamic Governing Body, a dedicated faculty and staff the college strives to become a centre of Excellence for wisdom, a beacon of hope, a model embodiment of the ideals upon which our Nation has been built.

Shillong College is committed to pursue these objectives by accelerating the pace of its activities and also responding to the emerging challenges of change. Today, the combination of factors such as technological change, globalisation, economic crisis and adjustment, the ambitious New Education policy are inter-related and are distinctively different from those challenges prevailing few decades back. Moreover, the world is grappling with the pandemic (COVID 19) which has affected every sphere of human activity and interaction demanding further change and adaptation to a new normal.

As we step into this new academic year, filled with new hopes, dreams and challenges, I believe every student is looking for an environment to excel and which brings out the best of him/her. Shillong college focuses not only on academic excellence but also in providing ample opportunities for students to explore his or her own capabilities in their area of interest: in co-curricular and extra-curricular activities. Moreover, the college also provides opportunities for skill development and entrepreneurship training to name a few. With a dedicated faculty, support staff and a management that stresses on the development of infrastructure, the college helps students to realize their goals in life and explore the possibilities to excel in life.

When you choose to become a part of the Shillong College fraternity, please be convinced that it is the right choice you are making.

I welcome you to Shillong College and wish you all the best.

Dr (Mrs.) E. Kharkongor

The College Emblem

The White Background in the middle stands for our humble beginnings when a few noble, caring and dedicated souls established this college on 15th August 1956 in order to address and cater to the needs of the less privileged sections of society for whom higher education and the world of knowledge would have practically remained out of bounds. This colour also stands for simplicity, purity, transparency and clarity of thought achieved through knowledge.

The Lamp in the white circle represents the illuminating, guiding and purging light of knowledge, wisdom and truth that will banish/dispel fear, doubt, ignorance, parochialism, bigotry and prejudice.

The significance of the Swan which is seen next to the lamp may be found in Hindu mythology where Saraswati, the Goddess of Knowledge is depicted riding a swan (hamsa) which symbolizes purity par excellence (Sattva Guna), wisdom, prudence and the discerning power to differentiate between good and bad, eternal and transient (Viveka) discipline, stamina, grace and beauty.

The Ocean over which the swan appears, represents the unfathomable vastness of wisdom and depth of the world of knowledge as well as the collective human race where diverse elements co-exist.

The Golden Circle that surrounds all of the above symbolises the immortal nature of knowledge and the element of continuity in the work of disseminating knowledge. The colour itself reflects optimism, high ideals, enlightenment and the bright future for our students and college.

The Motto that appears in Sankrit- "Vidyaya Vindate Amitam"- and in English- "Knowledge is Immortal" -is taken from Kena-Upanished (11:4). In this context, knowledge as 'Vidyaya' implies a deeper meaning than mere learning. It is a state of mind where the individual is attuned to the divine consciousness and thus attains knowledge that is immortal and blissful.

The literal meaning of this statement is that the self is the source of immortality. The term "Vidya" means the sustenance of interrupted experience of Wisdom and Bliss: Knowledge here does not mean ordinary learning but it is blissful of immortal where the individual is termed to the divine consciousness which cannot be distracted by it is forever eternity.

Therefore our great emblem bestowed in our College Logo is accepted and relevant and it will co-exist With the years to come

Our Motto : *Knowledge is Immortal*

OUR VISION

We envision Shillong College as a centre of Excellence for Wisdom, a beacon of hope, a model embodiment of the ideals upon which our great nation has been built.

OUR MISSION, AIMS AND OBJECTIVES

To provide quality education and skill development for the students to serve the society, while remaining committed to the moral, secular, scientific and nation building virtues.

To endeavor to provide to all sections of society, quality yet affordable education and to create a knowledge based society where avenues of success are readily available to all sections of the society, both urban and rural.

To provide the right atmosphere that will facilitate the tapping, honing and refining the talent potential and skill through appropriate academic, extra and co-curricular activities, promoting the pursuit of excellence thereof and leading to integrated personality development.

To remain socially committed with special impetus in catering to the needs of the socially, economically, educationally and physically disadvantaged groups, and through academic excellence, confidence building and character development to elevate them to a level of excellence, thus providing them with a fair chance of success and better future.

To be attuned to the emerging needs of the young generations in a world of constant flux and to inculcate knowledge and need – based work skills so that the products of our college possess a competitive edge in the job market and find themselves prepared for gainful employment.

To constantly update, equip, improve and evolve ourselves in all aspects in order to become more proficient and efficient in fulfilling our commitments to the students and the society at large, to the best of our ability.

To not only help our students become job-proficient but to sensitize, encourage and promote moral, secular, scientific and nation – building virtues in the backdrop of the varied and complex multiplicities that weave the beautiful pattern of our country so that the students respect, protect, nurture and value the rich composite culture of the country, INDIA.

College Anthem

O Arise we Shillong College
Ever zealous in our quest
For virtue, truth and knowledge
To rise above the rest.

Refrain: Light the lamp of knowledge in our hearts
Forever it will burn till we depart.

For knowledge immortal is our motto dear
A guiding force to which we all adhere
Ever striving to light the lamp of glory
Here we are to make our destiny.

Refrain: Light the lamp of knowledge in our hearts
Forever it will burn till we depart.

Inspired, we shall conquer'
Every fear or false belief
To emerge as triumphant victors
In every field you can perceive.

Refrain: Light the lamp of knowledge in our hearts
Forever it will burn till we depart.

God bless Shillong College
Make it fruitful in its quest
For virtue, truth and knowledge
We shall remain for ever the best.

Refrain: Light the lamp of knowledge in our hearts
Forever it will burn till we depart.

ADD ON COURSES

CERTIFICATE COURSE IN KHASI TRADITIONAL MUSIC

The Department of Khasi, Shillong College, Shillong has been conducting the Six Months Career Oriented Certificate Course in Khasi Traditional Music since 13th February 2018. Permission was granted by the College Development Council, NEHU (No.CDC/6/Sh.C/2014/Vol.III (Part)-1733, Dated. 18th July 2018).

The objective of the course is to inculcate into the students about the basic understanding of Khasi Traditional Music and to train them to develop their vocational skills in this area.

The students who complete the Khasi Traditional Music Certificate Course are qualified for the Post Graduate Diploma in Music, NEHU, Shillong. Also this course trains the students in the vocational skill of crafting Khasi musical instruments.

CERTIFICATE COURSE IN ANDROID APP DEVELOPMENT

The short term add-on course on Android App Development is annually conducted by the Department of Computer Science and Applications for a duration of 3 months. It was started in 2017 under the tutelage of Shri D Thabah, Shri R. Hoojon and Shri T. Warjri.

Android is a software stack for mobile devices that includes an operating system, middleware and key applications. The Android SDK provides the tools and APIs necessary to begin developing applications on the Android platform using the Java programming language.

The Add on Course introduces students to mobile application development for the Android platform whereby students learn the skills for creating and deploying Android applications.

CERTIFICATE COURSE IN ENTREPRENEURSHIP DEVELOPMENT

The Entrepreneurship Development Cell recognized that a more concerted effort was needed to incorporate entrepreneurial dynamism especially amongst the educated youths, and this can be facilitated through entrepreneurial courses and training. Keeping in mind that one of the main objectives of the Cell is to organize Certificate or Diploma Courses that will serve as an added advantage for the unemployed youths for self-employment, the task for fulfilling this objective was taken up.

Faculty members of the Cell namely Dr. (Mrs.) E. Kharkongor, Smt. P. Khonglah & Shri. S. Lyngskor then prepared and framed the Syllabus for the Three Months Certificate Course in Entrepreneurship Development. This was submitted to the UGC for approval. The UGC's approval was received and it had also sanctioned Rs 7.00 lakhs (rupees seven lakhs only) as Seed Money for starting the Certificate Course (UGC's Letter dated 31st March, 2013).

Hence, the task for conducting the UGC Sponsored Three Months Certificate Course in Entrepreneurship Development Course was started by the Cell .

The expert resource persons and trainers are drawn not only from the college but from different organizations, government departments, industries and financial institutions such as KVIC, KVIB , SBI, MIDC, DHHDC, DIC, Bethany Society, Polaris Solutions Enterprise, LIFCOM, Taxation Department, Tourism etc. Prominent and successful entrepreneurs of the state were also invited for interactions and deliberations which aimed at enhancing the practical significance of the course. The cell has so far successfully conducted training for 6 batches of students.

Placement

For the final year students placements and opportunities are provided through agencies or industries. Such placements via internships, helps in inculcating employability skills to equip students to face the real world. It also makes the students acquainted with the knowledge of a particular industry or sector. This in turn makes them confident in taking the right decisions apart from sowing the seed of success in the career they opt for.

For holistic development of our students and making jobs available to them the Placement cell conducts many grooming sessions, seminar sessions and organizes both off and on Campus Placement opportunities. The placement cell thus tries to bridge the gap between Academia and Industry.
