In order to understand the differences in the response from the faculty, many of them has brought forward some suggestions for improvement, viz,

1. Improvement in cleanliness of washrooms for faculties and students
2. Smart classroom in be installed
3. Wash basin to be installed in each floor
4. Better quality of classrooms desk and benches
5. More classrooms with LCD projectors required
6. Segregation of office staff assistant stream-wise to serve and assist the students better
7. Teacher-student ratio for some subjects or departments such as Commerce department to be brought down for effective teaching learning process
8. Department to organise programmes and field trips to expose and help students to identify more with real-life situations and applications.
9. To train office-staff with better communication and soft skills
10. If possible, the canteen has to made more spacious and affordable for students.
11. Improvement in Wi Fi and internet facilities in the campus required
12.To improve the laboratory infrastructure of Chemistry department
