

## REPORT OF 2020 ANTI RAGGING UNDERTAKING

In 2020, due to the Pandemic the online admission was introduced in the college. The Anti Ragging committee in a meeting held virtually decided to offer suggestions to the management to instruct Departments to circulate the soft copy of the Anti Ragging Affidavits and collect them from the students.

However due to the Lockdown in place and strict restrictions this was implemented only in April 2021 when a notice was circulated by the management to the enrolled students who were now in 2<sup>nd</sup> Semester and the same was collected by the Head of Departments.

### NOTICE FOR 2020 ENROLLED STUDENTS
