

Activities of the Research, Innovation and Publication Cell:

The Cell has seen much success since its inception in 2009.

34 Teachers Projects, 28 Teacher-Student Projects and 14 Minor Research Projects sponsored by UGC, NERO have seen successful completion till date. Faculty of the college have published articles in Proceedings Volumes and edited books. Since 2009, the college has brought out a number of ISBN publications by national and regional publishing houses, all of which goes on to show the cell's success in the creation of heightened awareness about the importance of research in Academics. Till date a number of publications have been brought out by the college. A few more will be released shortly.

- Research Innovation and Publication Cell **conducted a talk on “Choice Based Credit System: Challenges and Prospects”** on the 13th of August, 2015 so as to enable all stakeholders in education system to get acquainted, and learn more about the new system keeping in mind the constraints that are faced by colleges of the State especially rural colleges where there is lack of manpower and infrastructure.
