The volunteers highlighted the concept of this campaign and hand over the tricolor to each household to be hoisted in their houses in the period between 13th to 15th August, ’22 to mark the 75 years of the Country’s independence. They also urge every resident of the locality to observe this event with enthusiasm and pride but ensure that the National Flag is respected and not to be misuse as most people do not know the importance of maintaining the decorum and sanctity of the National Flag due to lack of awareness.
