1. 7 Laptops
2. 1 LCD Projector
3. 1 PC

First day

Date: 19-08-2019

The program started with a welcome speech delivered by the Head Mistress of the School Mrs Lamin, followed by a speech from the Advisor of Techies Club, Mr Jutang P Swer, to address the objective of the campaign, highlighting the basic need of computers for modern educational requirements. The first lecture was delivered by Mr Dalam Cajee (3rd Yr BCA) on the topic “The Components of Computers (Basic), where he explained about the input and output device of a computer. The Second lecture was delivered by Mr Vicky Gupta (3rd yr BSC) and Banraplang Swer (3rd yr BCA) on the topic “Microsoft Word“, where they explained about the working of the software and what can it be use for. The third lecture was delivered by Lurshai Nongkhlaw (BCA 3rd Yr) and Krisda Khonglah (3rd yr BCA) on the topic “Microsoft Paint” .They explained how to use it by demonstrating using different pictures and many more. The students Studying in VI to VIII were very excited to learn as these facilities provided to them lacked in the school. Then a group of four students each is being allotted to one instructor. Each instructor takes care of the group by demonstrating the various basic applications where each student gets a chance to practice on their own. The day ended by us asking the student questions and whether or not they have understood. The team departed from the school at 2:30 pm.

Second day

Date: 20-08-2019

On the last day of our program that is on the 20st August 2019, the same instructors are again allotted to their respective groups and it seems that the students have really improved on the second day of the program. Finally, the day ended with a speech from one of the teachers of the school expressing her appreciation and gratitude to the members and a concluding speech from the Advisor of Techies Club of our department Mr Jutang P Swer. The team departed from the school at 2:30 pm.
