

REPORT ON SCTECHZEST PROGRAMME 2016

Venue – Department of Computer Science & Applications, Shillong College

Date – 3rd and 10th September 2016

INTRODUCTION

The Two Day SCTechZest programme was held in the Department of Computer Science & Applications, Shillong College, Shillong, on 3rd and 10th September 2016. The participants comprised only Computer Science students from different colleges in Shillong. The programme was organized by the Department of Computer Science & Applications, Shillong College as part of the Diamond Jubilee Celebration. The programme proved very useful as well as enriching to all the students who participated in it.

DAY ONE – 03-09-2016

(1) Registration

Time – 9:00 AM to 9:30 AM

The programme started at 9:00 AM with the registration of the participants. Altogether a total of 37 participants registered for the programme. Therefore, the total number of participants who attended the programme was 37. The participants are all Computer Science students from different colleges in Shillong.

The registration is done separately for three (3) different competitions, viz. Code Debugging, Android App Development and Debate. There were two judges for all the three competitions. The Judges were Shri Mark Nongkhlaw, Principal System Analyst, NIC, Shillong and Shri A.P. Singh, Assistant Professor, Department of Computer Science and Engineering, NIT, Meghalaya.

(2) Inaugural Session

Time – 9:30 AM to 10:30 AM

The Inaugural Session started at 9:30 AM. This was conducted at the College Conference Hall where the Head of Department of Computer Science Department Shillong College, Smt A.M. Mitri, welcomes the Chief Guest, Shri Timothy Dkhar, State Informatics Officer cum Technical Director, NIC, Meghalaya and all the participants from various colleges in Shillong. It was then followed by a speech from the Vice Principal of the college, Dr M Dey, in

which he expressed his gratitude to everyone present in the inaugural session. In this speech he conveyed about the history of Shillong College since its inception i.e. August 1956, and how the College strived to achieve its reputation from being a mediocre College to become one of the major Colleges in Shillong. Dr M Dey also expressed his congratulatory message to the College for celebrating its Diamond Jubilee and stated his view about the grandness of the SCTechZest programme.

Dr M Dey speech was followed by another speech from the Vice Principal Professional Courses of the college, Shri K.D. Roy. He shared his view about the rapid progress of Science and Technology which has made day to day life easier and manageable. He urged all the participants to perform their best and also wished the programme a success.

A 10 minute Tea Break followed after that.

Speech (Chief Guest)

The Inaugural Session resumed again by a speech from the Chief Guest, Shri Timothy Dkhar, SIO cum Technical Director , NIC, Meghalaya. He started by expressing his heartfelt gratitude to the College Principal and Vice Principals including all the members of the organizing committee of the college. He encouraged the participants and all the students present to expand their code development skills as well as their inter-personal skills. “Code Development skill is the first step towards software development”, he quoted. He also shared his view about the importance of software security and website security. As quoted again, he said “Websites developed by NIC Meghalaya always go through security test and have not yet been hacked till now”. Based on these trivial software issues he urged the students not to take software development lightly and to be fully aware of hackers. Mobile apps framework are also being explained as part of Android app development in which he emphasized that a lot of new job opportunities are being opened in this respective field and area. Finally, he again urged the students to improve in whatever computer skills they possess and to improvise their knowledge further.

(3) Code Debugging and Optimization Competition

Time – 10:45 AM to 11:45 AM

There were 14 participants in this competition. It was held in the Computer Department Main Laboratory. Every participant performed very well showing tremendous abilities and skills they had. Only three were declared as winners. First Prize went to Ms Narola Dhar of

Shillong College, Second Prize to Mr. Robert Reuben Phanbuh of Martin Luther University and Third Prize to Mr. Paukhanlun Khuptong of Martin Luther University.

(4) Android App Development Competition

Time – 12:00 PM to 1:00 PM

There were only 7 participants in this competition. It was held in the IT Laboratory of the Computer Department. Four of them were declared winners as second prize was shared between two participants. In this competition, First Prize went to Mr. MacDonald Kharsohnoh of Shillong College, Second Prize to Mr. Iainehborlang M Nongsieh and Mr. Michael Richborn Syiemlieh of St Edmund's College and St Anthony's College respectively and Third Prize to Mr. Jonathan Kubar Kharmawlong of Martin Luther University. Great enthusiasm and interest was also shown here in this competition by all the participants.

This was followed by a one hour lunch break.

(5) Debate Competition

Time – 2:00 PM to 3:00 PM

There were 16 participants in this competition. It was held in the College Conference Hall. Mrs A. Basaiawmoit, Assistant Professor, Department of English, Shillong College, anchored the competition. She selected the participants and set the motion of the debate – **“Social networks encourage people to have good inter-personal skills”** This was the most competitive of all the competitions held and very talented participants from various colleges debated remarkably and wittingly. Some participants argued for the motion and some against the motion. It was highly appreciated by the entire audience. At the end three of the participants were declared as winners. First Prize went to Ms Anindita Das Choudhury of St Edmund's College, Second Prize to Ms Rosabel Marngar of St Anthony's College and Third Prize to Ms Shawni Bhattacharjee of St Anthony's College.

DAY TWO – 10-09-2016

Valedictory

Time – 10:00AM to 11:30 AM

The valedictory function was held on the 10th September 2016, followed by a talk on “**Computer Fraud and Cyber Security**” by Dr. H. Choudhury, Associate Professor, Cotton University, Assam, and then followed by prize distribution to winners of the various events.

Vote of Thanks

The vote of thanks was proposed by the Coordinator of SCTechZest 2016 , Shri J.P.Swer, Lecturer, Department of Computer Science & Applications, Shillong College, in which first and foremost expressed his heartfelt gratitude to the Chief Guest, Shri T.Dkhar, SIO cum Technical Director , NIC, Meghalaya, for sparing his valuable time to grace the occasion. Special thanks and appreciations were also extended to all the participants who participated in the programme especially Dr (Mrs.) E. Khakongor, Coordinator of Diamond Jubilee Committee, for her invaluable support to the Computer Science Department, Shillong College, in organizing the programme.

Last but not the least I would like to extend my thank you note to all the participants and Principals of the participated colleges for the cooperation, response, interest and enthusiasm they have contributed in making the entire programme a success.

God Bless you all.

CONCLUSION

To conclude, the Two Day SCTechZest 2016 programme that was organized by the Department of Computer Science & Applications, Shillong College, Shillong, as part of the Diamond Jubilee Celebration, was a successful and fruitful one. The participants and others who attended highly appreciated the effort that was put in by the Department in organizing the programme. The different competitions held in the programme did indeed enhance the development skills and experience of all the participants. The department wishes every participant success in their career.
