

**Report on SCTechZest 2022**  
**A Popular Talk – Mr Hanif Syiemlieh**

“SCTechZest” is an annual technical meet organised by the Department of Computer Science and Applications. Since its inception in 2016, “SCTechZest” aims to develop interest and encouraging innovation in technology among students. This year the Department organised a popular talk on the 26th of March, 2022 which comprised of the following: a) Entrepreneurship in Innovative Digital Transformation in Education b) Demystifying Crypto Currency At the Inaugural session, the HOD of the Department Mrs. A. Mitri gave the welcome address which was followed by a short speech by the Vice-Principal of the college, Mr. Kallol Dutta Roy. His address stressed on the need for the youth to be informed as well as concerned about the importance of entrepreneurship in these hard times of unemployment.

The Principal of the college Dr. E.Kharkongor spoke about how the innovative potential of young people, combined with the power of technology, is already proving to be a powerful force on the road to achieving the Sustainable Development Goals.

In the first session of the talk, Mr. Hanif Syiemlieh, an alumnus of the college and founder of EDIFY online tutorial highlighted and cited examples on the proverb “If opportunity doesn’t knock, build a door”. He emphasized that every young entrepreneur needs to have an inquisitive mind, ready to experiment, yearning to learn and be ready to take risks. He further added that amalgamation of synergy between talents, financial support, proactive government policies and an eco-system have resulted a favourable environment for entrepreneurship to germinate in the country.

In the second session of the talk, Mr. Hanif explained the What/Who/Why technicalities of Cryptocurrency. He further elaborated about the ways of making money in this medium which involves a lot of risk.

The sunset of the talk was marked by the vote of thanks which was delivered by Mr. B. Mukhim, Assistant Professor of Computer Science and Applications.
