Subject: Permission for Study Tour.

Dear Madam,

Requesting you to kindly grant permission to the 6<sup>th</sup> Semester students to go on a Study Tour to Bhutan in the month of May 2019, after the exams. As has been proposed, I have agreed to lead the students on the tour. The students have also agreed to bear the expenses personally.

Thanking You,

Dated: Shillong,  
April 25<sup>th</sup>, 2019.

## Report On Department Study Tour To Bhutan

On May 2019, plans was made to take the 6<sup>th</sup> semester students for field trip from the Department. The students opted for the study tour to Bhutan as they wanted to see the culture and environment of new places and compare with the culture of our state and country. The Head of the Department gave her consent and requested the Principal to allow our students to visit the place under the guidance of one of the Department teacher, that is, Ms. Omega L. Syiemlieh. Permission was granted on agreement that the tour would be self-financed.

All the students were excited and registered their names. However, due to some problems, that is unavailability of passport and epic, only nine students were able to go for the trip. The team left on the 22<sup>nd</sup> of May 2019 and returned back on the 27<sup>th</sup> of May 2019. Even though the Study Tour was a brief one, yet in three days the students were able to learn many things from the culture, food, lifestyle and hospitality of the people, etc.

The students benefitted from this trip. Ever grateful to the Principal and the College Authorities for their help and support to the Department of History.
