

**REPORT ON INDUSTRIAL VISIT TO EPIP, BYRNIHAT, RI BHOI DISTRICT, MEGHALAYA,  
ON THE 10<sup>TH</sup> NOVEMBER 2022.**

On the 10<sup>th</sup> November 2022, a group of 45 students of 3<sup>rd</sup> and 5<sup>th</sup> Semester BCom (Marketing Honours) along with the teacher-in-charge Asst Professor P.Khonglah report to college at 9.00 am to go to EPIP Industrial Estate, Byrnihat, for an industrial visit or exposure by bus. The visit was organized with the **objective to enable the commerce students to observe and learn about the type of industries in the state and to familiarize them with the factory set up, so that they become aware about the various avenues of entrepreneurship and employment opportunities in Meghalaya.** The bus reached Byrnihat at 12.00 pm and we met the Technical person Shri.S.Patra, CEO, **Shyam Century Ferrous Ltd**, to guide us to the plant. The students were divided in groups and taken inside the factory where the Plant Manager gave them a guided tour and explained the entire production process and market for their products. From there we proceeded to **Kakarania Innovative Systems Pvt Ltd** who makes packaging products, the Plant Manager led the students throughout the layout of the plant and explained the entire production process and its market. Due to the constraint of time, though we got the permission to visit four plants, we visited the last plant namely, **M/s NTL Steels**, which produces PVC Pipes and Electrical posts, here, the Factory Manager and Engineer showed the students the entire production, cutting, moulding and welding process and also the market for their finished products. Snacks were distributed to all the students at every plant visited. Finally, all returned back to the college and reached the campus by 6.00 pm. Overall the students were able to interact with the Plant Managers and got an overview of the industry.
