

FEEDBACK ACTION TAKEN REPORT 2016-2017

Based on the analysis of the feedback collected from the teaching, students, and alumni, the college has taken certain steps to ensure development and make improvements to serve better such as:

- i. To strengthen the infrastructural facilities, the college proposes to construct the C Block of the college having additional classroom, common room for teachers, parking area, and auditorium.
- ii. The college plans to introduce post graduate courses affiliated to North Eastern Hills University and to design Add-on courses to cater to the needs of the students.
- iii. The management plans to install classroom with LCD projectors in a phase wise manner, and better-quality boards and also to change the lighting for better teaching learning experience.
- iv. The college propose to increase the seating capacity of the canteen by looking into prospect of new canteen facilities like coffee shop, etc, to cater to the growing number of students and food to match the taste buds and pocket money of the students.
- v. From time to time, the college encourages all department to look for fundings and organise seminars and conferences to empower all teachers and students with up-to-date knowledge in the different fields of study.
- vi. The fourth-grade workers are reorganised to ensure cleanliness and good classroom maintenance.
- vii. Since the internet facility for teachers and students are an ongoing problem, the ICT Cell are to look into the matter and give suggestion to the management.
- viii. Library Committee are asked to look into the how to improve the library services as many students are facing issues with respect to availability of books.
- ix. The Master Routine Committee are to study and ensure that the new routine takes into account the complain of students with respect to the stretch of long hours.
- x. The management propose to undertakes some green initiatives such as solar energy and Water harvesting to tackle the problems of shortage of power and water.
- xi. The inspection and feasibility study for the development of the extended campus at Mawkasiang is undertaken.
- xii. Teachers are asked to submit their Course Completion Certificate within time to ensure that the syllabus is completed well before the exams of the students, and to aid the students in their exam preparations.
