

SHILLONG COLLEGE
COACHING CLASS FOR COMPETITIVE EXAM
Under Rashtriya Uchchar Shiksha Abhiyan Scheme (RUSA),
2017-2018.

Aims & Objectives:

Coaching class for competitive exam is being organised mainly to impart the conceptual knowledge about the subject and syllabi of the various competitive exams conducted by SSC/IBPS/State Govt. Public sector etc. The financial constraint on the part of the students weigh down their preparation for the said exam, as such free coaching class under government sponsored (RUSA) believed to bring changes and inculcate a competitive mind among the students.

Further, coaching class will help the student to prepared for various exams and enable them to be employed in various sectors. It is understood that through coaching class, problems related with unemployment can be reduced and makes the students a productive assets.

The coaching class will be conducted for a period of three months with a minimum of 3 hours per day into 6 day a week. The paper to be taught includes English, Maths, General Intelligence & Awareness, General studies. Moreover, group discussion, Mock interview and personality development will be imparted to the students.

Brief Report of the Programme:

The coaching class for competitive exams under RUSA started from the month of August, 2017 with students from different streams i.e. Arts, Science, Commerce, and professional departments of the college. The students admitted for the course are mainly from the 5th Semester. An application of more than 170 students has been received. In order to have more focus and disseminate deeper information on subject concern, it has been divided into two batches with a period of 3 months with 15 to 16 classes per week.

The first batch with 80 students begins from August 2017 and the second batch with 85 students from November 2017 to April 2018.

Faculties:

The faculties for the said course include teachers from the college who has wide knowledge and experiences on competitive exams and also from other coaching institutions. Most of the faculties are rendering their services and engaged in various other similar types of coaching conducted by the government or of private institutions. The following are the faculties for the two batches-

1. Smt. A.Basaiamoit
2. Sri. L.Khongiang
3. Sri. S.Kharchandy
4. Smt. P.Khonglah
5. Smt. A.Diengdoh
6. Sri. Boipu Kipgen
7. Sri. Sasat Haokip
8. Sri. P.Kipgen

Finance:

In order to meet various expenditure related with the course, a total of Rs 3,96,000 (three lakhs ninety six thousands) has been received from RUSA for both the batches. The money received has been fully utilised in meeting payment (honorarium) to the faculties, Study materials, printing & stationary, photo copying, royalty, refreshment etc.

Record Books Maintain:

In order to have more transparency and disclosure and control, various register/ books of accounts has been maintained which includes Student attendance Register, Income & Expenditure Account, other related cash memo and payment notes which are duly submitted to the concern authority.

Study Materials:

Students of both batches were provided study materials and other notes as and when required.

Mock Interview/ Mock test/ Group Discussions:

In order to prepare them for various interview and job recruitment, mock test is being conducted every Saturday on different subject to test the progress of the skill and ability of the students. Further, under the guidance of Prof. P.Khonglah, Group Discussion on various hot topics related to economy, politics, history etc has been conducted. Mock interview with panellist from different institutions who are experts in various field are conducted to shape and developed their personality.

Impact of the programme on students academic performances:

As per feedback received from the students, the coaching class enabled them in preparing for various exams which they acquired during the three months course after being graduated and eligible for various exams.

Further, coaching class also makes them more knowledgeable on their degree subjects that help them to understand more on the subjects and act as a motivating forces.

It guides and creates the habits of studying and making them prepared for their competitive exams as well as of their degree.

However, since some of the aspirant coaching student passed out in the current year i.e 2018, and many of them not being eligible for various exams, outputs from the course relating to employment are still awaited.

Lastly, the coaching class has shown the light to the young aspirants in all spheres of life.

Thank you.
