

### Report on Reliance Jio Recruitment Drive

The Placement Cell in collaboration with Reliance Jio Ltd. , conducted a Recruitment Drive for the 6th semester students of the College on the 19<sup>th</sup> of March 2019 with the following criteria:

Eligibility :

- 1) Students should have 40% and more to be able to take the online tests.
- 2) Students should have a smart phone.
- 3) Students should create their profile in [careers.jio.com](https://careers.jio.com) (As per aadhar/Voter ID)

The online test was conducted on the 19th March 2019 and a total of 26 students cleared the test. These students were shortlisted for a 3 day training session which was held in Shillong Jio Centre.

This 3 Days training consists of extensive (Product/Service) knowledge about their jobs.

- The students will need to appear for an assessment test after the training the questions will be based on what the trainer has taught them.
- After the 3 Days Training Certification. The Students who have successfully cleared the assessments during the training will be certified.
- Among all of the students who are certified, we will identify the topper and the most competent.
- And accordingly the management will offer the deserving student.

Finally 3 students were offered the job.
