

Feedback Analysis and Action Taken Report (Economics Department)

Students Satisfactory Survey was conducted for our honours students during each academic year. Almost 80% of them have responded and their feedback was recorded accordingly as detailed below. Also a report on action taken by the College and the Department pertaining to the issues identified and suggestions given is listed below.

Students Feedback	Action Taken
1. Use of ICT in Teaching learning process	Teachers are being trained to equip themselves to use ICT facilities provided by the College.
2. Need more number of classes particularly for quantitative technique	Extra classes had been arranged from time to time when the need arises.
3. More attentions to be paid for the weak students	Special arrangements were made to identify weak students by arranging special classes
4. Encourage students participation in seminars, workshops, debates, etc. to enhance their confidence and self esteem	Students seminars and presentation, group discussion had been organised for the honours students.
5. Good library	The library space had been extended recently with more books made available to the students as well as the teachers from time to time depending on the needs of students. Students can also avail the facilities of E-BOOKS and e-journals etc.
6. Modern methods of teaching techniques	Use of Google Classroom, Google Meet, Whatsapp and introduction of Google Form in Internal Assessment
