

## DEPARTMENT OF HINDI

### FEEDBACK ACTION TAKEN REPORT

1. Effort is being made by the teachers of the Department to communicate better and build a positive relationship with the students.
2. Teachers are preparing for the classes in a better way.
3. To improve the internal evaluation process, the performance of students in assignments and tests is discussed with students and follow-up is done.
4. To improve the teaching and mentoring process, students are being informed about expected competencies, course outcome and programme outcome.
5. Student - centric methods are being adopted to improve the overall quality of teaching-learning process.
6. Effort is being made to inculcate employability skills in the students.
7. Active participation and interaction between teachers and students is promoted by asking questions etc.
8. Discipline is maintained during the class.
9. Study tour for all semesters has been conducted.
