

Feedback Action Taken Report

Department of Physics, Shillong College, Shillong

The Department has taken various efforts to improve on the feedback received from the students.

The Department has taken up various measures to improve on the positives and also the less satisfactory feedback as received from the students.

The students are being advised and encouraged to take up various co-curricular related activities.

Students have been assigned mentors to help them address various problems and to build better relationship with them. In fact, all teachers of the Department act as mentors to help the students with various problems faced by them.

Thorough and regular discussions are being held with the Fifth and Sixth semester students in particular to make them aware about the various career opportunities and academic opportunities after successful completion of their graduation.

Syllabus is completed well ahead of time to ensure that the students have ample time to prepare for their semester exams.

The Department also takes up various measures to assist and meet the academic needs of the students by conducting tests, seminars, and through home assignments etc.
