

The meeting of the Student Grievance Redressal Committee, Shillong College was held on the 28<sup>th</sup> June, 2018. The meeting Was chaired by the Chairperson, Dr. K. D. Ramsiej, Principal and attended by all members (Attendance sheet as annexure).

The following resolutions were adopted during the meeting:

1. Regarding the letter submitted by the outgoing six semester students of the Statistics Department airing their grievances as to the irregularities and insincerity on the part of the HOD Statistics it was decided to leave the matter to the wisdom of the Principal to come up with a permanent solution at the earliest so that the students of the other semesters are not affected.
2. An awareness programme will be held to create awareness among the student community regarding the existence of the cell, its functions and the type of grievances that the students can file through the grievance redressal forms that have been prepared and also through online mode by visiting the college website. However, due to various constraints, it was decided to hold the awareness programme only for the class representatives and office bearers of the students' union, and then entrust them to pass on the information to their respective classes. For this, it was decided that the awareness programme be conducted only after the election of class representatives and the new members of the students' union.
3. Notices to be put up in the students' Notice Board and at other strategic locations to be identified to let the students know regarding the cell, its functions and how they can file their grievances.
