

DEPARTMENT OF CHEMISTRY
ACTIVITIES - 2016

1. Interactive talk delivered by Professor H.P Roy Choudhary, former faculty of Department of Chemistry Shillong College, organized by department of Chemistry on 7th March 2016. On the 7th March 2016, the Department of Chemistry was privileged to host Professor H.P Roy Choudhary, former faculty of the department to give a talk on the subject as well as on his years of teaching in the college. The talk was followed by a lively interaction with the students and faculty.

2. The Department of Chemistry, Shillong College organized a programme in honour of the outgoing Head of Department, Dr M. N. Bhattacharjee on 1st July 2016.

3. The Hons students, Department of Chemistry, Shillong College had organised a programme to commemorate Teachers' Day on the 5th September 2016. The programme was attended by The HOD along with all the faculty members of the department.

4. The Departments of Chemistry & Environmental Studies, Shillong College organised a one day Seminar on the Theme, ‘**Understanding Seismic Activity**’ on the 9th September 2016.

The Department of Chemistry Shillong College conducted a one day seminar on the theme “ Understanding seismic activity”. The Seminar was organized with the objective to provide a platform for Experts in the subject as well as the authorities in the Government and the Government Representatives, to share and exchange ideas so as to dissipate useful information to all participants in Understanding Seismic Activity.

The following were the sub-themes:

1. Pre and Post Seismic Activity
2. Environmental Impact
3. Mitigation measures

where experts from NEHU, IMD, SDMA and DDMA, Meghalaya had come to share their expertise on the subject. With the help of experts in the subject as well as a few Government Representatives, the Seminar is expected to provide and dissipate useful information to all participants in Understanding Seismic Activity.

5. The Department of Chemistry, Shillong College had organized a programme to observe Silver Jubilee of Dr D. L. Buam on the 12th November 2016.

6. The Department of Chemistry, Shillong College had organised a field trip involving all Chemistry Honours students to IMD, IIGS and BRDC, Upper Shillong on the 25th November 2016.

7. The Students, Department of Chemistry, Shillong College had organized a programme to release the Chemistry anthem CD on the 7th December 2016.

8. The Department of Chemistry, Shillong College had organized a programme to release the volume of the National Seminar on Recent Advances in Chemistry held in July 2015, the book entitled, '**Exploring Chemistry- Interface with Human Welfare**' on the 14th December 2016.

The department of Chemistry released a book entitled 'Exploring Chemistry-Interface with Human Welfare' in the presence of Prof B. myrboh, former Head, Department of Chemistry NEHU and Principal Dr. K. D Ramsiej. The book was published as an outcome of the National Seminar on Exploring Recent Advances in Chemistry held on the 30th July, 2015 organised by the Department of Chemistry in Collaboration with IQAC in Shillong College.
