

## **REPORT OF MEGHALAYA LEGISLATIVE ASSEMBLY VIST OF DEPARTMENT OF POLITICAL SCIENCE DEPARTMENT**

Students and faculty of the Department of Political Science, Shillong College visited the Meghalaya Legislative Assembly on the 21st March 2023 to observe the proceedings of the Budget Session. The objective was to provide the students with an educational opportunity to learn about the workings of the legislative branch of government and witness first-hand how laws are made and debates are conducted.

Thus, with a strong focus on civic engagement, the Department firmly believe that such a visit will help develop the students' understanding of the importance of participating in the democratic process.
