RESEARCH PROJECTS

- A Student Project titled “Folklore in translation” was taken up by the department in 2018. The project was a systematic attempt to translate and analyse the literary tradition of the North-East in Hindi, as there is a need to study, document and translate the rich heritage of the region.
- The Department of Hindi has completed a UGC Minor Research Project titled ‘Khasi Bhasha aur Sahitya ka Vikasatmak Adhyayan’ (A study of the development of Khasi language and literature) in 2017. The project aims at contributing to national integration by presenting the literary achievements of the Khasi language in Hindi for the first time (Funded by UGC)
