About Shillong College

Shillong College was inaugurated on 15th of August, 1956, and began with few students at Jail Road Boys High School. Shri Sudhindra Chandra Dutta a Lecturer in the Department of Mathematics in St. Anthony's College, became the founder Principal. Before the establishment of North Eastern Hill University in 1972, Shillong College was affiliated to Gauhati University. The birth, growth and development of the Shillong College is a cumulative result of the immense sacrifice, dedication, hard work and perseverance of a good number of well meaning selfless individuals as well as some prominent organizations of Shillong and also the region as a whole.

Diamond Jubilee celebration of Teaching Science in Shillong College

On 23rd July, 1963, the college started the courses in Science stream. Since, then, the college has made a steady progress in imparting education in all Science stream. Studies in honours classes in Science subjects at the under graduate level was introduced from 1979 onwards. From the year 2000, the college has added many job-oriented courses and professional courses viz., B.B.A, B.C.A., B.Sc. (Computer Science) and B.Sc. (Microbiology), MA (English & Khasi) etc.

On the 23rd July, 2023, the college had completed 60 years of Teaching Science in the institutions. It is reaching an important milestone in its history. The Governing body of the college and the members of the various teaching faculties, with one mind, felt that this Diamond jubilee of teaching Science in the College should be celebrated in the college in a befitting manner and will includes several academic and and other programmes that will culminate on the 23rd of July, 2024. The Celebration will enable the college and its faculties to cope with the changing educational scenerio, developments in the science and technology, problems and challenges in teaching science particularly in terms of input and output and all allied frontier areas.

About IQAC, Shillong College

The Internal Quality Assurance Cell (IQAC) was formed on 16th June 2004 as per the NAAC guide lines as a post -accreditation quality sustenance measure. Since inception, the Cell is constantly involved in enhancing and maintaining the standard and quality curricular and co-curricular activities of the College. Proposals and recommendations accepted in the meetings of the Cell were directly forwarded to the Principal, which are then placed in the Governing Committee for approval and implementation.

About Spoken Tutorial, IIT Bombay

Spoken Tutorial was established at IIT Bombay with the funding from the Ministry of Education (previously Ministry of Human Resource Development), Government of India. Spoken Tutorial is a multi-award winning educational content portal. Here one can learn various Free and Open Source Software all by oneself.
